What qualifications are needed?

You must have a current South Australian RSA certificate and Food Handling Certificate.

You must be an Australian Citizen or be working under a current working Visa.

You should be able to demonstrate that you:

- Can work unsupervised as well as with a team, helping others where required (yep, even washing the dishes!)
- Answering the phone & taking messages, accommodation reservations
- Have appropriate footwear
- Are willing to live and work in a remote destination with respect to the local culture
- Can work a 6 day per week roster and be flexible with roster changes
- Can report to the Hotel manager & you're able to take direction easily

Previous hospitality and remote area experience will be an advantage.
